

Dear Friends,  
 How we rejoice in all that Jesus has done over these many years... remembering where our children have come from - to the opportunities that now lie before them. These children are the first generation from their community to have received an education, got this far, and now taking nationally recognised exams – we call them our Pioneers.

A-levels Please pray for Raj, Ajay, Sandeep and Veena as their final A level exams begin on the 28th February until 24th March. They all want to go on to further education so they need good grades in order to get into the best universities.

GCSE'S Please pray for Kaloo and Monu Rani as they begin their final GCSE exams on March 20th until April 4th.

Building

We are still on target to move into our new school in April. 90% of the construction work is complete. We have also laid the foundations for our playground and Sports ground.

Foundation for Play Ground

Foundation for Sports Ground

In the last month we have ordered playground equipment, a large silent generator, the beginnings of classroom furniture and 20 bunk beds for dormitories. (Only the beginning of our shopping list). Please pray for the Lord's continued provision as we have a lot of expenses to meet at this time.

Please also pray for extra workers to join our staff as we seek to provide the very best care, education and recreation for our children.

### Chris (a Pastor)

has just spent 3 weeks volunteering with us contributing richly to the lives of all in Morning Star family, school and church.

Thank you Chris, the children have lots of special memories to cherish.

Golu had an operation on his left ear to remove a disease which was beginning to erode the bone separating his inner ear from his brain. The op was successful and he will need another operation on his right ear in 3 months' time. Please keep him in your prayers.

All our children are happy and well and will be sitting their end of school year exams in March. We thank God for His continued presence and blessing in our lives and for your faithful, loving support and prayers.

God bless you.

With love in Jesus' name

All at Morning Star.
