

## Morning Star Ministries Update January 2016

Dear Friends,

Thank you for praying for Balwinder. He has made a full recovery from Typhoid and asked us to thank you for your prayers and messages of encouragement. They Worked! 😊

### Anand

Please pray for baby Anand, who we mentioned in our Christmas update, as one of the twin boys born to Parmjeet, a member of our team and his wife Baljinder. Anand is just 55 days old and fighting for his life. There is a blockage between his liver and intestine, so he is unable to digest food properly or remove all waste products from his body. He needs urgent surgery and we hope this will happen Monday.

Please also pray for the continued good health of all during the current treacherously cold spell.

### Other news

We had really blessed and very well attended Christmas Eve and Christmas Day (all day!) services where we had the privilege to be able to share the good news of Jesus our Saviour and Emmanuel.

Over the Christmas period we also spent time on the slum where a lot of our children come from and were able to share Gods love with the rest of the community there.

We also worked with the local hospital for a two day program where they distributed clothes and had Christmas games and presents for the people on the slum.

Dassi, one of the elder ladies from the slum was blessed to have received her sight for Christmas, with a simple cataract operation funded by the local hospital, we were also able to facilitate Roopa's grandmother 'Jaya' to start the

procedure of eye tests with the promise of a cataract operation for her over the next month.

For a really fantastic start to 2016, we were greatly encouraged by a two day visit from a musical family all the way from Canada, (Linnea, David, Patrick, Nicole and Isaac). We had singing workshops and music games, all to get the children learning a lot more about the wonder of music. And to conclude we had our very first Morning Star concert, with the children singing the songs they had learnt with Ajay on keyboard and Sandeep on guitar joining the rest of the band to make a wonderful evening.

As always we have much to thank God for!

Thank you again for your continued support and diligent prayer

Love in Jesus' name,

*All at Morning Star*
