

Morning Star Ministries Update July 2016

Dear Friends,

We have run an exciting new venture, a Summer School for two weeks held in our new school building. We were able to:

Run a Nursery

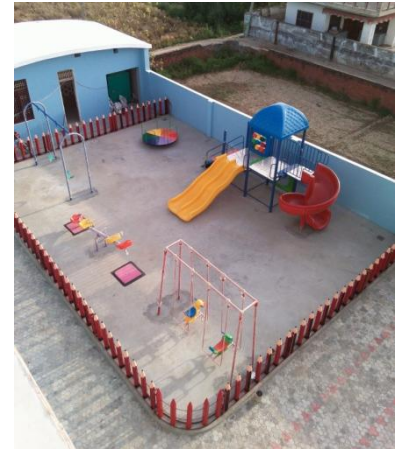

The nursery is continuing in the new school building where the space is a real blessing and it is great to see the children enjoying the freedom of a safe playground.

Teach Painting and Craft

Again the larger space makes this endeavour so much easier and more fun for everyone! Some of our children have a real creative flare and we are hoping to be able to offer Art and Technical Drawing at GCSE. This will allow children to choose from a wider range of careers. It will be a challenge but we believe our God is mighty and will help us to succeed.

Enjoy Sport and Outdoor Recreation

Offer Music Classes

These were led by Sandeep and Ajay who were away last year studying Theology and Worship.

Play Room

Other News

Raj has gone 1000 miles away to Bangalore to begin Rehabilitation Training. Sandeep has begun his English Degree. Roopa, Kaloo, Sonny and Sanjay are also away studying 'A' Level courses. Please pray that these older children will all cope with being away from home, finding the support and friendships that will help them do their best.

Please also pray for all our precious children, staff and that we would be able to fully occupy our new school in God's time.

Thank you and blessings in Jesus' name to you all,

All at Morning Star
