

*Dear Friends,*

*The young man in the photo is our eldest son, Raj. He is helping children with disabilities as part of his Rehabilitation therapy training course. It was part of a practical assessment and he scored A grades in all categories. His teachers particularly commended him for his communicative skills and his ability to encourage*

*the children that they have a bright future. Something he himself has been taught growing up here at Morning Star School and Children's home.*

*Right now the first Rehabilitation hospital in North India is about to be built. The senior consultant there told me on Saturday that there will be a job for Raj at this new facility after he qualifies (hopefully) if that is what Raj wants. Raj will be able to help thousands of children and adults to lead a fulfilling life, who would otherwise have no hope, through his work as a rehab therapy assistant. He would be the first such worker in this area that was born on a slum. We are delighted.*

*When Raj was 12 years old he lost his parents. He came to live with us and trusted in Jesus and His promises. Psalm 27v10 says "When my Father and Mother forsake me then the Lord will take me up." The aim of Morning Star Ministries is to lift up destitute children into the arms of Jesus and see Him transform their lives. It gives us great joy to see Raj fulfilling His potential and he is a shining example to the rest of our children. We believe many more will achieve good things like Raj, manifesting the love of God in their lives.*

*Surely that is the inspiring message of Christmas.....That God manifested Himself in human flesh, and through His eventual death and resurrection on our behalf He*

*can come and live within us so that we too may manifest His love here in this world.*

*We pray you are inspired afresh this Christmas by the miracle of God becoming a man to give us a second chance....HAPPY CHRISTMAS! ☺*

*Thank you all so much for your steadfast love and support throughout the year. We wish you a blessed, peaceful, joyous Christmas and pray God's richest blessings upon you for the New Year.*

*With love in Jesus' Name,*
