

# Morning Star Ministries Update June/July 2017

Dear Friends,

Having passed his 'A' levels Kaloo has gained admission into an internationally recognised university to study for a BSC in Physical Education. During the selection process he had to undergo competitive physical trials and came first in all of them!

Navjot also passed her 'A' levels and is embarking on a diploma in general nursing and midwifery.

We now have 8 children studying away from our base. If you would like to help pay for their course fees please get in touch.

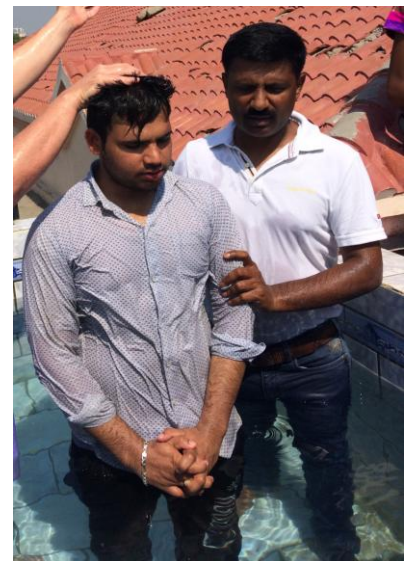

Sunny has started an apprenticeship with a local carpenter and Ajay starts his vehicle mechanics course on the 10<sup>th</sup> of August.

Monu passed her GCSE English at the 5<sup>th</sup> attempt which means she has a full GCSE pass certificate and that will allow her to access many opportunities. Currently she continues to enjoy her beautician's course. Congratulations Monu for persevering!

We baptised 7 people at the end of June, 4 of whom were between 18 and 20 years old. Kulvir Ram was also baptised with his wife and daughter. Despite struggling with cancer Kulvir has found a vibrant faith in the Lord Jesus Christ. Hallelujah. The church continues to grow numerically and in depth of relationship and spirituality.

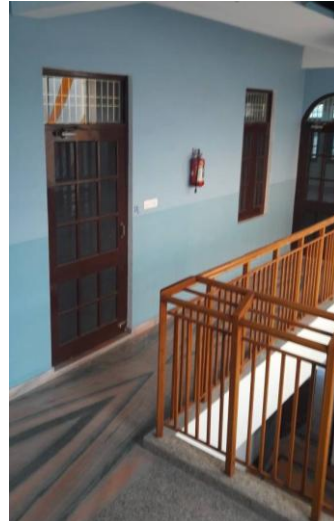

We continue to hold primary school lessons in our new school building and we are currently ensuring essential staff and equipment are in place for a proposed move in July. The beds are made up and ready!

We have appointed Satpal, a reliable local craftsman, to be our full time maintenance manager.

We have also fitted fire extinguishers and lightning conductors to improve standards of safety and we will be fitting an additional security fence.

Our new residential workers, Mattay and Savita and Mark and Vidya have settled in really well and are quickly become part of the Morning Star Family. They believe it is God's will for them to be serving with us at this time.

Thank you for continuing to support this work practically and in prayer.  
Love in Christ,

*All at Morning Star*
